Stolen Recipe

REFRESHINGLY TRUTHFUL™

We'll let you in on a little secret, most ice teas are more like tea cordials or imposters as we like to call them. Claiming to be the real McCoy, although are made of tea extracts/powders, sugar and artificial stuff. We've been on a mission to steal back the authentic ice tea recipe of freshly brewed loose leaf tea with a splash of fruit juice and natural flavour – nothing else added. Think brewed coffee vs instant, Elvis vs an Elvis impersonator, the difference is clear! We'll never claim to be something we're not, that's our Refreshingly Truthful promise.
